A hearty welcome to all.

I consider it not only a pleasure but a duty I owe to my neighbors to tell about the wonderful cure effected in my case by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I was taken very badly with flux and procured a bottle of this remedy. A few doses of it effected a permanent cure. I take pleasure in recommending it to others suffering from that dreadful disease.—J. W. LYNCH, Dorr, W. Va. This remedy is sold by J. Jas. Wood & Son, Druggists.

FLOTSAM—JETSAM—LIGAN!

NEWSY NOTES FROM NATURE'S GREAT HIGHWAY.

The Avalon will be all right for next week. The Urania will pass up tonight for Pomeroy.

The Virginia will pass down tonight for Cincinnati.

The Bonanza will be down tonight for Cincinnati.

The Keystone State was up last night for Pittsburgh.

The Henry M. Stanley was the Kanawha river packet last night.

The sawmill Champion, which has been lying at Cincinnati about a week repairing, went up the river Wednesday.

The City of Pittsburgh passed down yesterday afternoon for Louisville with an excellent trip of freight and passengers.

The John K. Speed, which has a record of having sunk twice and broken her shaft in a year, was let into the water from the Cincinnati Marine Ways Wednesday afternoon.

The Hudson is being painted all over at the Cincinnati Marine Ways, preparatory to entering the Coney Island trade for the summer. Captain John Sweeney is in charge of her, and will command her during the season.

The Mercury, Venus and Mars, the three new steel Government tenders, leave Louisville for the Mississippi river today. Inspector Captain James Duran goes with them. One of the boats will tow the other two down.

Just 1,345,500 bushels of coal were brought into Pittsburgh harbor out of the pools of the Monongahela river during the week ending Saturday, April 30th. The harbor is filled with loaded craft waiting for the first barge stage.

The big Kangwa Towboat Co. of Winifrede, W. Va., has been incorporated by Thomas E. Baird and D. W. Chandler of Philadelphia, J. W. Johnson, J. A. Parker and C. A. Johnson of Proctorville, O., and R. B. Cassidy of Charleston, W. Va.

The last river and harbor act appropriated a sum of money to be used in making a detailed survey of the Ohio river from Marietta to the mouth of the Big Miami river, with a view to improving the river with a series of locks and dams. A detailed survey of the river from Pittsburgh to Marietta has already been made. Major W. H. Bixby, United States Engineer in charge of the improvements of the Ohio river, is now getting ready to send out a surveying party on the new work. The first thing that will be done will be to run "the precise levels." This work will be rushed through as quickly as possible in order to locate properly the proposed lock and dam below Cincinnati. In all probability the levels can be ascertained before the end of this season; but the detail work of the survey will be much slower, and will probably take two seasons to complete. Major Bixby thinks he can start out the first surveying party before the end of this month.

At Pittsburgh Wednesday there was a splendid barge-shipping stage of water in the Ohio river, but the mates of the various towboats had difficulty in getting enough deck hands and firemen to man the boats. Many towboats were late in making the start as a consequence. A month ago deck hands received \$30 to \$35 a month, but Wednesday many of them got as much as \$50, and some refused to work at that price. The Raymond Horner did not get away from the point until 11 o'clock, as she was unable to get enough firemen, and at that hour she had secured only two firemen. It is expected that more men will be engaged at down-river places. The towboats departed in the following order: The Mount Clare, 11 barges; Dick Fulton, 12 barges; Enterprise, 11 barges; Charles Brown, 6 barges; Sam Brown, 6 barges; Coal City, 6 barges; Tornado, 5 barges; Ed Roberts, 10 barges; H. P. Jones, 4 barges; Pacific No. 2, 6 barges; Advance, 5 barges; Maggie, 5 barges; Wilmet, 4 barges; I. N. Buntin, 10 barges; Josh Cook, 16 barges; Monterey, 8 barges; Fannie, 4 barges and 2 barges of cotton ties; Fred Wilson, 6 barges; John Moren, 6 barges; James Moren, 6 barges, 1 flat; Charles Hook, 3 barges; John C. Fisher, 2 barges; Little Fred, 6 barges; Joseph Walton, 6 barges; Charles Clarke, 6 barges; Cruiser, 6 barges; Mariner, 6 barges; Pacific, 10 barges; Tom Dodsworth, 12 barges; Raymond Horner, 12 barges; J. C. Risher, 5 barges; Dauntless, 5 barges; making a shipment of 217 barges and 35 flats, containing 3,122,000 bushels of coal. Some of the above boats are only helping others out. No trouble was experienced at Dam No. 3. All of this coal is intended for Cincinnati and Louisville. The shipments will aggregate over 4,000,000 bushels before the rise runs out. The tow of the B. D. Wood, which is grounded at Belleville, O., will be floated by the present rise.

\$100—Reward—\$100.

The reader of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & Co., Toledo, O. Sold by druggists, 75 cents.

When Nature

Needs assistance it may be best to render it promptly, but one should remember to use even the most perfect remedies only when needed. The best and most simple and gentle remedy is the Syrup of Figs, manufactured by the California Fig Syrup Co.

MECCA FOR EX-HUSBANDS.

The United States Court the Place Where They Can Find Rest.

In the United States Court at Covington Tuesday afternoon Judge Walter B. Evans handed down a decision that is of great importance to all bankrupt ex-husbands who are under the ban for not supplying their respective wives with the necessary alimony.

Some time ago Pattie Stiles Houston brought suit for divorce against her husband, Charles S. Houston, in the Campbell Circuit Court. She was awarded a divorce with alimony at the rate of \$5 per week. Houston could not or would not pay, and was ruled up for contempt, but succeeded in being released. Several days ago he took the bankrupt law and was declared a bankrupt. Monday an order was issued from the Campbell Circuit Court to show cause why he should not be punished for not paying the \$5 per week alimony.

Houston hustled to the United States Court and to the Court made the claim that he was bankrupt, and Judge Evans issued a restraining order against Judge Hodge of Newport restraining him from interfering with Houston.

An Epidemic of Whooping Cough.

Last winter during an epidemic of whooping cough my children contracted the disease, having severe coughing spells. We had used Chamberlain's Cough Remedy very successfully for cough and naturally turned to it at that time and found that it relieved the cough and effected a complete cure.—JOHN E. CLIFFORD, Proprietor Norwood House, Norwood, N. Y. This remedy is for sale by J. Jas. Wood & Son, Druggists.

About Silk Waists

There is not an old silk waist in this stock.—The new, the correctly stylish, the dependable kinds of waists are the only sorts offered by the patrons of this store. We cannot afford to make quality subservient to mere cheapness. We cannot afford to ever lose sight of quality, and we take care that we don't. Judge the gathering by these: White and black plaid silk waist with black satin stripe, trimmings of ruffled white satin ribbon and small fancy buttons, tucked vest of white sateen. Early season price \$10; now \$6.50. Plaid taffeta, pink, black and maize, tucked front and back with fancy collar. \$4. Gray taffeta with overstripe of green satin; mulled yoke of white silk and trimmings of rhinestone buckles and double ruffle of white and green satin ribbon. \$6.50.

DRESS FABRICS.

Correct and new. You could count on the fingers of one hand the last season's styles in this dress goods stock—and they are mostly in the bargain lots. The new stuffs are making a "hit." The fun of it is that the cost don't hit your pocket-book hard. There is a marked disparity between the stylish materials and their humble price. For instance: Excellent quality covert in green and brown 50c. Black covert in new shade of castor, very late novelty, 50c. Handsome line of plaids in summer weight for separate skirts 48c. and 50c. a yard. Small checks in stylish color combinations, new patterns, 50c.

DRESS TRIMMINGS.

The manufacturers have conjured some wonderfully beautiful and brilliant trimmings. The spring gown calls for more elaboration this year than has been customary for some seasons past. As usual we are well equipped to fill your trimming wants.

THE BEE HIVE!

LADIES' \$1.50 Gowns

89 Cents

We have purchased from one of the largest muslin underwear manufacturers in the country their entire remaining stock of one grade of Ladies' Night Gowns. These Gowns were originally made and sold to retail at \$1.50, and you have paid this price many a time for Gowns that do not possess the merit of this special lot. They are made of high-grade cambric, neck and sleeve trimmed with superb torchon lace. Some come with lace yokes, others with tucked yokes and ruffled cuffs. There are only about 20 dozen in all. Remember, 89c. instead of \$1.50.

READY-TO-WEAR LINEN and PIQUE SKIRTS.

We gave this stock the very strictest attention this season. We determined that every skirt should have the proper hang and fit and be as up-to-date as the best skirt makers could produce 'em. Prices considered, we warrant the quality of the linen in every one of our skirts. We have them in the plain effects, others trimmed with fancy white braid and some trimmed with five rows of navy blue braid of different widths, at 45c., 89c., \$1.25 and \$1.98. A great line of White Pique Skirts, made of different styles of welts, worth fully \$1.50, at 89c.
